Exhibitor Appointed Contractors (EAC) Guidelines

Exhibitor Appointed Contractor – A contractor hired by the exhibitor to provide assistance with your equipment, display or products during move-in and/or move-out and is not an employee of your company (with the exception of manufacturers' reps) or of an official contractor for the show.

Exhibitors and Exhibitor Appointed Contractors must comply with the following guidelines:

1. An EAC shall have the right to provide services (except those services that are exclusive) and to utilize qualified employees on the exhibit floor at the request of an exhibitor. Exhibitors must submit a **Notice of Intent to Use Exhibitor Appointed Contractor** to P3 by **Monday, December 28, 2026**.
    a. The EAC must keep in effect an insurance policy covering the duration of Januray 18 through January 22, 2027 that is in agreement with the Insurance Requirements set forth by Content Americas. An original **Certificate of Insurance** must be submitted to P3 by **Monday, January 4, 2027.**
    b. Insurance must include worker's compensation/employer's liability in the amount of $1,000,000; and comprehensive general liability in the amount of $1,000,000; and must meet the requirements established by the state of Florida and name Content Americas as the Certificate Holder with P3, Inc. and the Hilton Miami Downtown listed under Additional Insured.

2. All services provided by an EAC must be completed in a timely, professional manner within the established times for move-in/out.

3. The EAC must have all licenses, permits or bondings required by federal, state, county or municipal governments and the Fontainebleau prior to commencing work. The EAC must be able to provide P3 with evidence of compliance on request.

4. The exhibit floor, aisles, loading docks, service and storage areas will be under control of P3. The EAC must coordinate all activities with them and must fully cooperate and not interfere with the efficient utilization of labor.

5. To gain admittance to the exhibit floor, the EAC must possess and be able to provide P3 a true and valid Order for services from an exhibitor.

6. The EAC should perform all services in a professional manner and not engage in solicitation of current or future business on the exhibit floor at all times. Exhibitors are responsible for the conduct of the contractors they appoint.

7. All EAC personnel working in the exhibit hall will need to be registered as booth personnel under the exhibitor's allotment and will need to be badged.

8. The EAC must confine operations within the exhibit area of the exhibitor. Aisles and vacant areas may not be used as work, storage or dispatch areas.

9. The EAC will share with the official service contractor all reasonable costs related to its operation. It is the responsibility of the EAC to properly remove all installed tape from the floor and any bulk trash from exhibit hall (such as skids or crates). The official service contractor will bill the EAC accordingly for any labor necessarily provided to complete such tasks.

10. The Exhibitor is responsible for providing the EAC with any necessary information pertaining to the exhibit hall (i.e. utilities, order forms, dates, hours, shipping information, etc.)
